RED55

HOUSING DESIGN & CONCEPTS

With an endless range of products available on the market today, making a selection can be stressful. With full consideration given to your taste, style and budget - RED55 can narrow this down to those most suitable.

Our constant research keeps us up-to-date with latest trends and in touch with suppliers - giving us the best available price without compromising on quality.

Home is a special place for you, your family and friends and first impressions last. After assessing a combination of composition, texture, colour, fabrics and accessories - RED55 can help you transform your most valuable asset into a sanctuary.

Following the initial consultation we will combine various options that reflect your family's needs and wants. The final decision is yours, bringing your individual taste and style to reality.

NEW HOME PACKAGES

Price based on requirements, free quotes.

Building a new house? Overwhelmed by the unlimited choices? Let RED55 assist you in as many or as few aspects as you like. RED55 can co-ordinate a package exclusively for you. From fixtures and fittings, to bathroom and kitchen designs, with consideration for colour, carpets, paint, tiles, curtains, light fittings, soft furnishings and decorative pieces. We can assist with landscaping and designs to garden rooms and selection of exterior materials.

RENOVATING OR EXTENDING

Price based on requirements, free quotes.

From new bathrooms and kitchens, to increasing living space, RED55 can co-ordinate, organise or simplify the process for you. We can liaise with the professionals and trades-people to save you both time and money. As with new home packages - RED55 will provide you with a complete home decoration plan, including samples, supplier lists and cost estimations.

REFRESH

House looking tired? Let RED55 take a look at your home from a different perspective. RED55 will help update your paint colours, curtains, floor coverings, furniture, or any combination of these.

RED55 will take a hands-on approach to spruce up your home for yourself or for sale. It's amazing how a little work can bring a whole new feel and add value to your home.

RED55 come in for a look, suggest ways to make your space more workable then apply the suggestions (e.g. declutter and re-arrange).

RED55 will provide a list of suggestions and tips, many are available with minimal outlay.

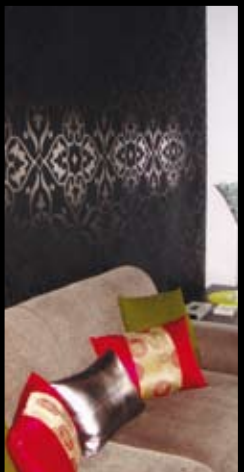

DEVELOPERS / BUILDERS & INVESTORS **Prices based on requirements.**

Are you time poor?

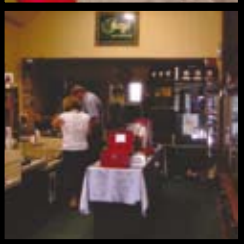

RED55 can do the running around and selection for you to create an appealing and eye catching house, maximising your sale opportunities and profit.

For the investors - RED55 can modernise your house before sale or entering the rental market.

RED55 can fit out houses for open days.
